## WHAT IS INSIDE..

**ALUMNI MEET**  
**ROAD SAFETY AWARENESS PROGRAMME**  
**PARENT-TEACHER MEETING**  
**GUEST LECTURE**  
**EXPERT LECTURE**  
**INDUSTRIAL VISIT**  
**FACULTY ACHIEVEMENT**  
**VISIT TO OLD AGE HOME**

### **EDITORIAL CHIEF-**

Dr. P.S.Patil, Principal  
Prof. T. S. Patil,  
Chief Editor

### **EDITORIAL COMMITTEE-**

Departmental Cultural  
Co-ordinators

## POLYTECHNIC WING

### **Vision**

To become benchmark technical Institute where education is for next generation & everyone is committed to delivering competent human resource for prosperity and well-being mankind.

### **Mission**

To prepare competent engineers, technocrats and responsible citizens for engineering profession through development of technical skills and create an environment that increases the involvement and commitment of all stake holders for continuous improvement in performance and quality.

## ALUMNI MEET 2024

04/11/2023 BY MR. S.P. MALI,ALUMNI CO-ORDINATOR

The Alumni Cell and Alumni Association of AITRC, Vita, successfully hosted the "Alumni Meet 2024" on 4th November 2024 at the Auditorium Hall. This memorable event brought together alumni from across the years, celebrating their achievements and strengthening their bond with their alma mater.

The event began with a warm welcome and registration at 10:00 a.m., accompanied by a delightful breakfast, setting a relaxed tone for reconnections. The formal session commenced with the auspicious Saraswati Pujan, followed by an address by Mr. Sunil Chavan, Secretary of the Alumni Association, who highlighted the integral role of alumni in the institute's growth. Mr. N.M. Patil, Training and Placement Officer, emphasized the importance of alumni in creating training and placement opportunities for current students.

Hon. Ms. Pooja Patil, Campus Director, inspired the audience with updates on institutional achievements and future goals. Hon. Mr. Vaibhav Dada Patil, President of the Loknete Hanmantrao Patil Charitable Trust, invited alumni to actively contribute to the institute's journey of excellence.

The session featured heartfelt speeches from alumni of the first graduating batch, including Mr. Suraj Avatade, Mr. Atul Mane, and Ms. Pooja Hasbe, who shared nostalgic memories and gratitude for their time at AITRC.

The formal program concluded with a vote of thanks by Dr. P.S. Patil, Principal of AITRC, expressing deep appreciation for the alumni's enthusiastic participation. A group photo session followed, capturing the spirit of the reunion.

Post-lunch, a lively musical program featuring classic and contemporary Hindi and Marathi songs created a nostalgic atmosphere. Alumni revisited their departments, toured the campus, and marveled at the institute's developments, reminiscing about their cherished college days.

The "Alumni Meet 2024" was a resounding success, celebrating alumni achievements and reaffirming their vital role in the growth of the Adarsh Institute of Technology and Research Centre, Vita.

We look forward to many more such reunions in the future!

## ALUMNI MEET 2024

## ROAD SAFETY AWARENESS PROGRAMME

24/11/2023 & 25/11/2023, BY MR. P.S. SHINDE, NSS CO-ORDINATOR

NSS Unit of Adarsh institute of technology organised a road safety awareness programme on 24/11/2023 & 25/11/2023 at college campus. Mr Anand Kamble, Training Executive, Safety Education and center management west, Honda Motorcycle and Scooter India PVT LTD illustrated the statistics of road accidents and deaths that are occurring in India every year and suggested few steps to reduce them and said that you as students should come forward with new projects to decrease traffic problems and accidents. He also spoken about how to drive, precautions, rules and regulations etc so as to keep ourselves safe on the road. He told everything with suitable examples so the students can understand and implement them. Also explained about various symbols like Mandatory symbols, Cautionary symbols and Informatory symbols. He discussed the statistics of various types of road accidents in India and explained the reasons that lead to these accidents. He further gave examples of various types of traffic violations and the penalties associated with them. Mr Pradip S Shinde NSS Program Officer welcomed all for the programme. Dr.P.S.Patil Principal, NSS Volunteers and other teachers also participated in the programme.

At the end of the session principal presented a memento to Mr Anand Kamble.

Prof P.S.Shinde proposed the vote of thanks.

## GUEST LECTURE ON OPERATING SYSTEM BY ASST.PROF. VARSHA PATIL

30/11/2024, BYMR. A. A. VANKUNDRE, HOD OF AIML POLY .

Department of AIML Polytechnic successfully organised Guest lecture on operating System by Asst.Prof. Varsha Patil from D.Y.Patil College of Engineering, Kolhapur. The session aimed to provide knowledge on recent trends.

She also delivered the concept, Memory Management is one of the crucial subsystem in operating system software. It includes Relocation, Swapping, Protection, Sharing, Logical Organization.

---

## CHILDREN'S DAY CELEBRATION

Children's Day is celebrated in India to raise awareness about the rights, education, and welfare of children. It is celebrated on 14 November every year on the birthday of the first prime minister of India Jawaharlal Nehru, who was known to have been fond of children. On this day, many educational and motivational programs for children are held all over India.[1] Some schools in India make it a holiday to their students on Children's Day while private schools organize a fair for their students.

## PARENT - TEACHER MEETING

16/11/2024, BY MS. R. V. GADE,E & TC DEPT.

E & TC had arranged parents meet on Saturday, 16/11/2024 at our ETC department, all the parents were present at 10:30 am sharp. The meeting started at 10:35 am. At the starting of the meeting toppers of SY and TY were felicitated by all the dignitaries. Then our HOD, Mr.S.S.Ghatge sir introduced the department and discussed about the events which are conducted by the department. Then Principal, Dr P.S.Patil sir came and addressed this parents meet. He gave a valuable guidance to parents about student's health and punctuality. And Mr A.B.Salunkhe sir gave an important suggestions and information regarding Discipline. Mr N.M.Patil sir discussed about placement drives ITR Training. Then all the parents and teachers discussed about their problems, doubts. After the discussion all the teachers gave their introduction to parents. Later, all the class teachers discussed the progress report of the student with their parents. All the parents were happy with the way department was conducting events academically. All the parents expressed their concerns to the teachers regarding where and in what areas they feel their student's growth and development is needed.

## **EXPERT LECTURE ON BASIC OF ISOMETRIC DRAWING**

**22-11-2024, BY MRS.N.P.THORAT (HOD ,CIVIL DEPARTMENT)**

Isometric drawing is a drawing style that creates a 3D perspective of an object on 2D surface. Its used in many fields, including engineering, architecture and graphic design.

Outcomes:

1. Draw the Isometric and 3- Dimensional drawings of the given component of the structure

## **INDUSTRIAL VISIT AT CONSTRUCTION SITE**

**17-11-2024, BY MRS.N.P.THORAT (HOD ,CIVIL DEPARTMENT),  
MS.A.A.NIKALJE , CIVIL DEPT**

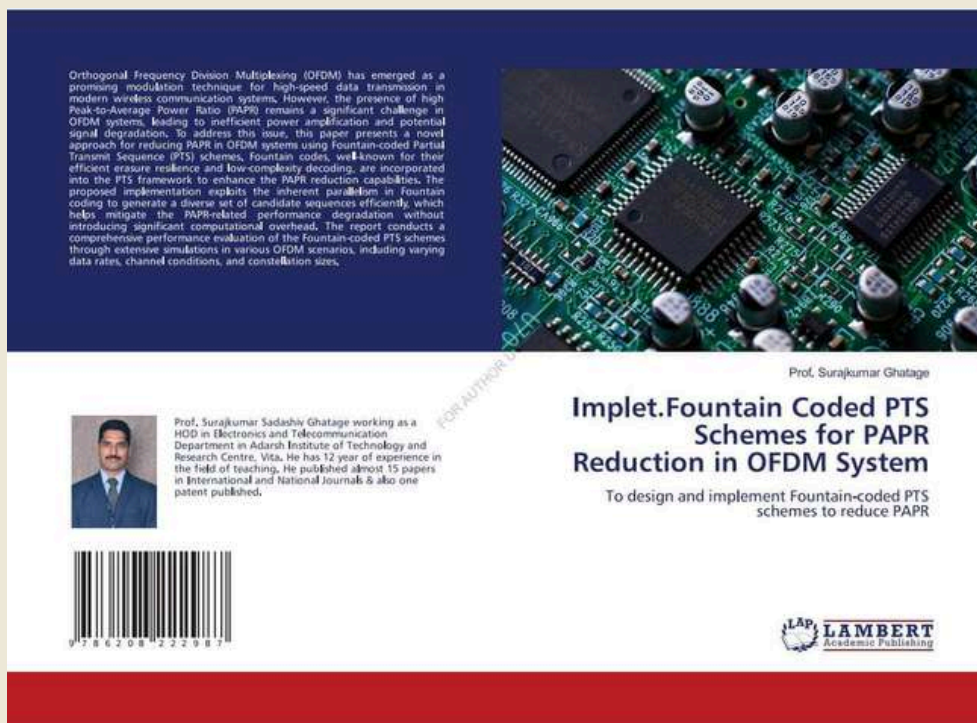

1. Regular industrial visits for students to bridge the gap between theory and practice.
2. Collaboration with industry experts for guest lectures and workshops.
3. Development of student projects incorporating on-site measurement and quality control.

The industrial visit provided valuable hands-on experience and insight into on-site measurement techniques in residential building construction

Outcomes:

1. improved knowledge of construction material and equipment
2. Substructure construction activities along with the equipment used.
3. Familiarizewith construction materials and equipment

## FACULTY ACHIEVEMENT

**Mr. S. S. Ghatage, HoD of E & TC Dept. published  
E-book on Lambert Publication.**

**CONGRATULATION TO ACHIEVER**

Welcome to **Adarsh Institute of Technology and Research Centre, Vita**, a pioneering institution in the realm of engineering education since its establishment in 2008. Over the past decade and more, we have stood at the forefront of technological innovation, providing aspiring engineers with a nurturing and dynamic environment to shape their dreams and aspirations.

Founded in 2008, our institute has consistently upheld a commitment to excellence, innovation, and a forward-thinking approach to engineering education. Nestled in the heart of Vita, (Khambale- Bhalavani) our campus offers a vibrant and stimulating atmosphere that fosters creativity and intellectual growth.

As we embark on this journey of exploration and discovery, we invite you to delve into the essence of Adarsh Institute of Technology and Research Centre, Vita, where cutting-edge research, world-class faculty, state-of-the-art laboratories, and a diverse student body converge to create an atmosphere of unparalleled learning and innovation. Whether you aspire to pursue a degree in electrical engineering, mechanical engineering, computer science, AIML or any other field within our vast repertoire, you will find an ecosystem that not only imparts knowledge but also nurtures critical thinking and problem-solving skills.

At Adarsh Institute of Technology and Research Centre, Vita, we believe that engineering transcends the confines of textbooks and classrooms. It is about pushing the boundaries of what is possible, and our institution stands as a testament to this belief. Our graduates have gone on to make significant contributions to various industries, research institutions, and the global community at large, embodying the values of integrity, excellence, and a passion for innovation.

Join us on this remarkable journey, where we continue to shape the future of engineering education, empowering the next generation of engineers to create a brighter, more technologically advanced world. Explore the limitless possibilities that Adarsh Institute of Technology and Research Centre, Vita has to offer, and together, let us engineer a better future.

Welcome to Adarsh Institute of Technology and Research Centre, Vita where the future is built today.

#### **Editorial Note:**

Welcome to the very first issue of our monthly newsletter! This is your window into the heart of Adarsh Institute of Technology and Research Centre, Vita. Where we celebrate achievements, share insights, and build community. We're excited to embark on this journey with you. Please share your thoughts, feedback, and ideas to help us shape future editions. Thank you for being a part of this exciting initiative.

Warm regards,

**Prof. Tai S. Patil, Editor-in-Chief, The Informant, Monthly Newsletter of AITRC.**
