Vision

To become benchmark technical Institute where education is for next generation & everyone is committed to delivering competent human resource for prosperity and well-being mankind.

Mission

To prepare competent engineers, technocrats and responsible citizens for engineering profession through development of technical skills and create an environment that increases the involvement and commitment of all stake holders for continuous improvement in performance and quality.

CREO WORLD - TECHNICAL EVENT

01/04/2025 , BY MRS. N. P. THORAT, TECHNICALCOORDINATOR

Adarsh Institute of Technology and Research Centre, Vita, successfully hosted Creoworld 2k25, a state-level technical fest that brought together bright minds, innovators, and technology enthusiasts from across the state. The event aimed to foster creativity, innovation, and technical skills among students from various colleges and institutions. The Chief guest of Event is Mr. Vilas Shinde Chairman and Managing Director of Sahydri farm Nashik.

Key Highlights of Creoworld 2k25:

1. **Variety of Events:** The fest included a wide range of exciting events such as coding competitions, robotics challenges, technical quizzes, workshops, Poster presentations, and innovation challenges. These events were designed to test the participants' problem-solving abilities, creativity, and knowledge in various fields of engineering and technology
2. **Participation from Across the State:** Creoworld 2k25 saw enthusiastic participation from numerous colleges and universities across Maharashtra, making it one of the most anticipated technical fests of the year. Students showcased their skills, knowledge, and innovative ideas through various competitions, demonstrating the immense talent present in the state.
3. **Recognition and Awards:** The event concluded with the recognition of top-performing teams and individuals, who were awarded prizes and certificates for their achievements in various competitions. This recognition further motivated the participants to continue their pursuit of excellence in the field of technology. Creoworld 2k25 was a resounding success, providing students with a platform to exhibit their technical expertise, learn new skills, and explore the latest innovations in technology. It was a great opportunity for participants to network, collaborate, and expand their knowledge in an ever-evolving field.

EXPERT LECTURE ACTIVITY

03/04/2025 , BYMR.A. A. VANKUNDRE, AIML DEPT

Activity Details: Expert lecture Activity

Name: Data Communication & Computer Network

Date: 03/04/2025 Time: 12.15 pm to 2.15.pm Place: SY AIML Classroom

Resource Person: Mrs. S.V.Mulik (Lecturer, E&TC Dept. AITRC, Vita)

Persons involved: Students

Welcome to **Adarsh Institute of Technology and Research Centre, Vita**, a pioneering institution in the realm of engineering education since its establishment in 2008. Over the past decade and more, we have stood at the forefront of technological innovation, providing aspiring engineers with a nurturing and dynamic environment to shape their dreams and aspirations.

Founded in 2008, our institute has consistently upheld a commitment to excellence, innovation, and a forward-thinking approach to engineering education. Nestled in the heart of Vita, (Khambale- Bhalavani) our campus offers a vibrant and stimulating atmosphere that fosters creativity and intellectual growth.

As we embark on this journey of exploration and discovery, we invite you to delve into the essence of Adarsh Institute of Technology and Research Centre, Vita, where cutting-edge research, world-class faculty, state-of-the-art laboratories, and a diverse student body converge to create an atmosphere of unparalleled learning and innovation. Whether you aspire to pursue a degree in electrical engineering, mechanical engineering, computer science, AIML or any other field within our vast repertoire, you will find an ecosystem that not only imparts knowledge but also nurtures critical thinking and problem-solving skills.

At Adarsh Institute of Technology and Research Centre, Vita, we believe that engineering transcends the confines of textbooks and classrooms. It is about pushing the boundaries of what is possible, and our institution stands as a testament to this belief. Our graduates have gone on to make significant contributions to various industries, research institutions, and the global community at large, embodying the values of integrity, excellence, and a passion for innovation.

Join us on this remarkable journey, where we continue to shape the future of engineering education, empowering the next generation of engineers to create a brighter, more technologically advanced world. Explore the limitless possibilities that Adarsh Institute of Technology and Research Centre, Vita has to offer, and together, let us engineer a better future.

Welcome to Adarsh Institute of Technology and Research Centre, Vita where the future is built today.

Editorial Note:

Welcome to the very first issue of our monthly newsletter! This is your window into the heart of Adarsh Institute of Technology and Research Centre, Vita. Where we celebrate achievements, share insights, and build community. We're excited to embark on this journey with you. Please share your thoughts, feedback, and ideas to help us shape future editions. Thank you for being a part of this exciting initiative.

Warm regards,

Prof. Tai S. Patil, Editor-in-Chief, The Informant, Monthly Newsletter of AITRC.
