About AITRC

Adarsh Institute of Technology and Research Centre (AITRC), Vita, (An Autonomous Institute) established in **2008**, is a premier technical institute spread across a serene **15-acre campus** in **Sangli district, Maharashtra**. The institute is committed to nurturing globally competent, innovative, and industry-ready professionals through quality technical education and holistic development.

AITRC focuses on **developing leadership qualities, technical expertise, and professional ethics** among students to meet the challenges of the modern technological world. The institute offers **seven Undergraduate Engineering programs and seven Diploma Engineering programs**, supported by qualified and dedicated faculty members, well-equipped laboratories, and modern teaching-learning facilities.

The institute provides a state-of-the-art **digital infrastructure including secure campus-wide wireless connectivity and advanced research laboratories**. The hi-tech campus creates a vibrant and innovative learning environment with modern classrooms, research facilities, and excellent hostel amenities.

Through continuous **academic improvement, industry interaction, and skill development initiatives**, AITRC has established itself as a significant center for technical education, innovation, and professional growth in the region.

About AITCON:

AITCON is a National Level Conference organized annually by the Department of Electronics & Telecommunication Engineering (Polytechnic), Adarsh Institute of Technology & Research Centre, Vita. The conference provides a platform for **faculty members, researchers, and students** to present innovative ideas and research work in the fields of **Science, Engineering, and Emerging Technologies**. **AITCON 2024** and **AITCON 2025** were successfully organized with active participation from various **AICTE-approved Engineering and Polytechnic institutes**. The conferences included technical paper presentation sessions and academic interactions that promoted knowledge sharing and research culture. Several quality research papers were presented and selected papers were published in **UGC-approved journals**. The success of previous conferences has encouraged the institute to organize **AITCON 2K26** to further promote innovation and technical excellence.

Eligibility:

Faculty members and Students from AICTE approved Polytechnic and Engineering Institutes.

Date & Venue:

The National level Conference will be held on **14th March, 2026** at Adarsh Institute of Technology & Research Center, Vita.

Conference Broad Areas:

This conference accepts research papers from following streams:

- **Emerging Trends in Science,**
- **Engineering and Technology,**
- **AIML Engineering,**
- **Civil Engineering,**
- **Computer Science,**
- **Electrical Engineering**
- **Electronics and Telecommunication Engineering,**
- **Mechanical Engineering,**

Conference Registration Fee:

Conference Registration fee is **Rs.1350/-** Per paper. After Paper Acceptance Bank Account Information or Phonepe, G-pay Number will be shared to Authors of All Accepted Papers.

Important Dates:

Full paper submission: **09/03/2026**

Indexing:

All Presented papers will be published in UGC Approved Journal.

Papers will be published in:

International Journal of Scientific Research in Engineering and Management (IJSREM)
